

CLASS OF 2018

SENIOR PICTURE INFORMATION

Class of 2018 students received information packets from Prestige Photography in Tribe Time classes. The packets contain important information regarding having senior pictures taken for next year.

Senior pictures will take place June 13-16, 2017. Students have been sent appointment cards from Prestige Photography with a time and date to come to the East Auditorium (enter through Door A) for pictures. If you cannot make it that week, we have another week scheduled for July 18-21, 2017.

Students **MUST** take senior pictures this summer with Prestige Photography in order to be featured in the yearbook. We do not accept outside submissions. If you cannot make the appointment time, you will need to contact Prestige at (574)299-9393 to reschedule.
