PORTAGE HIGH SCHOOL STUDENT PARKING PERMIT APPLICATION

Students, grades 10 through 12 are eligible to apply for a parking permit. To apply for a permit, you MUST HAVE WITH YOU this application completed and signed by student and a parent/guardian, a valid State of Indiana driver's license which should show your address in the Portage Township Schools district and up to four current registration forms for vehicles that you intend to register. The cost of the permit is \$10.00 and **EACH STUDENT IS ALLOWED TO HAVE ONLY ONE PERMIT.** Permits are issued after school in the East office until 3:00 p.m. The permit is to hang on the rearview mirror of a registered vehicle that you are driving to school. If you lose your permit, a replacement permit must be approved by administration and the cost of a replacement permit is \$20.00. Students who drive to school or who park on school property without obtaining a permit will face disciplinary action and may be denied driving/parking privileges on that basis for the entire school year.
